MORNING COMPETITION FLIGHTS:

Beginning Saturday, July 29, gates are open from 6:00 a.m. until 9:00 a.m. for guests to enjoy watching the competition flights. Parking and viewing are "at own risk" only, (no parking/gate attendant, or entertainment). Pilot briefings are held 30 minutes prior to competition flights; updates and flight status are not announced in advance for the morning competition. All National Balloon Classic policies are in force; no pets, smoking/vaping, or outside food or beverages. A limited number of vendors are open for food and beverage purchases. Chair rental is available on a first come-first serve basis. Admission and parking are free-will donations for mornings only.

EVENING FLIGHTS (Gates open at 4:00 PM)

Hot air balloons are scheduled to launch each evening at 6:30 p.m. when winds are calmest, and the air is most stable. Flight decisions, including if balloons will launch at the balloon field, or land at the balloon field, are made approximately 30 minutes before each flight. Regardless of the flight plan, the sights and sounds are enchanting – and can only be experienced at the balloon field! Exceptional value! Ticket price includes admission, entertainment, live music, and parking.

WEATHER or not to fly?

Admission to the National Balloon Classic does not guarantee a balloon launch. All National Balloon Classic events depend on prevailing weather conditions and are subject to delays or cancellations. Surface winds and winds aloft can vary greatly; maximum safe surface wind speeds are 8-10 mph. Although every effort is made for a successful balloon flight, the safety of our pilots, volunteers, and spectators is our first priority. If extreme weather conditions exist, notices will be posted via social media and our website. In ballooning, last-minute decisions are the norm because the weather can quickly change and be indecisive. Taking a "wait and see" approach may result in arriving too late and missing a beautiful night of balloon gazing.

Stay up to date and follow us on social!
